

## ACCESS

From the A7 motorway, take the TAIN L'HERMITAGE exit and cross the Rhône. Arrived at TOURNON-SUR-RHÔNE, take at the 1st roundabout the direction ST-PERAY.

At the 4th roundabout take the D219 towards PLATS. At the entrance to the village, follow the arrows to the Ferme De Simodon campsite, which is at the very end of the road.

Be careful, do not be fooled by the GPS which encourages you to take "small roads"! You must take the D219 with a caravan or motorhome!!
